CPR and First Aid Training Approval

Organizations that provide CPR and First Aid training are approved directly through the Department of Human Services. Please note that CPR and First Aid training is not approved through the Growing Futures system, does not appear on the Growing Futures online training calendar, and is not included on individual professional development records. Individuals are responsible to maintain their own documentation of current CPR/First Aid qualifications.

The following organizations are department-approved to provide this training:

CPR Training

- American Red Cross
- American Heart Association
- American Safety and Health Institute
- ND Safety Council training
