

### 4th Quarter 2019:

This report shows employment in two ways: the program types where individuals are employed in each region of the state and the positions they hold in those programs. The data is all individuals who had a current Growing Futures membership and verified employment by program, region, and position during the reporting period. In the first chart, the number of people employed in each program type is shown. The second chart shows the number of people employed in specific career positions.
